

# MAKE - Design Canvas

maandag 30 april 2018 22:06

**What are you going to make?**  
.....  
.....  
.....

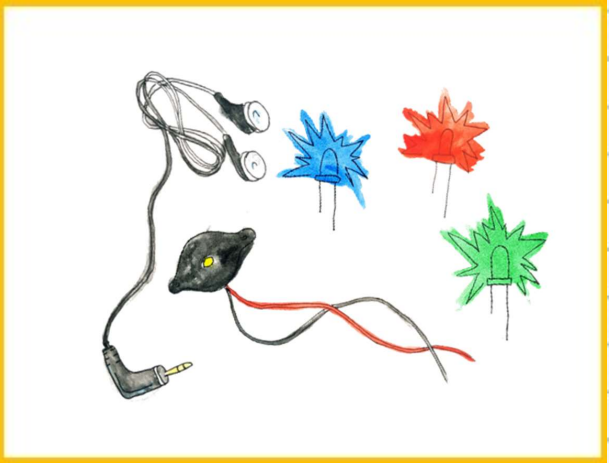

- What sensors/inputs are you going to use?**
- Buttons (A, B of AB)
  - Shake
  - Connect
  - Temperature
  - Light

**Build your prototype.**  
.....  
.....

**Draw your design**

**What else do you need?**  
Carton, Scissors, Tape, Glue, Markers, Wobbly Eyes,  
Wood, Cables, Tools.  
.....  
.....

**Test your design, what can you improve?**  
.....  
.....

**Wat have you learned by building this prototype?**  
.....  
.....
